Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves, much the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or anything else.

During late years the public have been misled | THE ONLY ARTICLE OF THE KIND EVER PRODUCED by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be

THE CELEBRATED

FRANKLIN AND KEYSTONE STATE

Every Machine Fully Warranted. T is now decided by the best Machinests and the public generally, that these Machines embrace the latest and most important improvements ever attached to Sewing Machines the New Improved Never-Failing Looper, and Heverse Wheel. The Frankiln and Keystone State are the only Machines that have these important improvements, which now give them the preference over all others. Every one should examine and thoroughly test them before making their se-lection, as they are rapidly taking the place of all others. In these Machines we do away with all the complicated

Schews, Wires, Shurries, Bornes, Caocard and Chart-LAS Names, of other machines, which render them at once greatly superior to any heretofore offered the pub-lic, for the many different kinds of family and manufacturing purposes.

These Machines make the double-lock, fast stitch-a stitch that will not rip or ravel, though every fourth on

be cut. This stitch is stronger and more elastic than tha made by hand. It is decided by competent judges to be more than twice as strong as the stitch made with shultle The great room under the arm renders them desirable for large work, and various kinds of quilting purposes.

These Machines make the only stitch with which you

On these Machines you can use any kind of spool silk, cotton or linen thread. These Machines are almost noiseless in operation. Be sure to see them before purchasing, as they are giv-ing a satisfaction heretofore unparalleled. They sew from two spools without rewinding. They will GATHER, BEN,
